

# GoogleCloudReady Facilitator Program

April 10, 2021 0:00 - June 10, 2021 23:59

## What is GoogleCloudReady Facilitator program?

The GoogleCloudReady Facilitator program will provide you an opportunity to kickstart your career in cloud and get hands on practice on Google Cloud - the tool that powers apps like Google Search, Gmail and YouTube.

Along the way, you will learn & practice concepts like computing, application development, big data & machine learning using cloud & if you get stuck, you will have your "Facilitators" who are specially trained on Google Cloud to help. 😊

## Program's Syllabus

The program will introduce you to Computing, Application Development, Big Data & Machine Learning using Google Cloud's training platform called [Qwiklabs](#) where you will learn each of these topic using self-paced labs that provides you temporary credentials to Google Cloud Platform, so you can learn the cloud using the real thing – no simulations.

For convinience, we have divided the topics above into 3 different tracks - starting from the most
